THE LOOK

We have a number of variations for the DJ set-up we call 'The Look' including our signature 'Decks on show' set-up. This really brings the DJ into the party. We also have the classic star cloth DJ booths in both black and white.

We are also able to create new DJ booth concepts to fit in with your wedding theme and style. Check out our inspiration page for some of our great ideas!.

OUR DJ'S

All our DJ's have many years experience at filling the dance floor and creating a fun and funky atmosphere.

Our vast collection of music caters for all styles, genres and tastes.

Your DJ will play the correct style of music to suit the atmosphere and time of the night along with your selection of must plays. We also steer well clear of anything you really don't want played!

We have 6 DJ's in our team, each with a high level of mixing and blending skills and clear and precise microphone techniques.

They know how to party!
