# THE LOOK

We have a number of variations for the DJ set-up we call 'The Look' including our signature 'Decks on show' set-up. This really brings the DJ into the party. We also have the classic star cloth DJ booths in both black and white.

We are also able to create new DJ booth concepts to fit in with your wedding theme and style. Check out our [inspiration page](#) for some of our great ideas!.

# OUR DJ'S

All our DJ's have many years experience at filling the dance floor and creating a fun and funky atmosphere.

Our vast collection of music caters for all styles, genres and tastes.

Your DJ will play the correct style of music to suit the atmosphere and time of the night along with your selection of must plays. We also steer well clear of anything you really don't want played!

We have 5 DJ's in our team, each with a high level of mixing and blending skills and clear and precise microphone techniques.

They know how to party!

## Early set-up fee - £65.00

This will enable a smooth transition from the wedding breakfast into the evening party. We offer our Early set-up for just this purpose. One of our team will arrive and set-up ready for your evening party and then your DJ will return in time to DJ for you prior to the agreed start time.

(Fee applicable within a 50 mile radius of our postcode. Beyond this extra charges apply.)

## DJing past 12am - £35.00 per half hour (up until 2am).

We can offer our DJ services after 12am if required. This can only be provided with the consent of the venue which we will obtain prior to your wedding. If the Wedding is in a private marquee and this service is added on the day then the amount above must be paid to the DJ in cash prior to commencement of this service.
