THE LOOK

We are very proud to be personally recommended and exclusive suppliers for DJ entertainment, sound & lighting hire at Hengrave Hall.

We have a number of variations for the DJ set-up we call 'The Look' including our signature 'Decks on show' set-up. This really brings the DJ into the party. We also have the classic star cloth DJ booths in both black and white.

The Banqueting Hall and it's amazing carved figures, regal arches and large open fireplace make it perfect for your wedding's evening party. We are able to position our sound and lighting equipment in front of the magnificent period stained glass window. This allows our DJ to work from here without taking up room for your guests and dancing.

OUR DJ'S

All our DJ's have many years experience at filling the dance floor and creating a fun and funky atmosphere.

Our vast collection of music caters for all styles, genres and tastes.

Your DJ will play the correct style of music to suit the atmosphere and time of the night along with your selection of must plays. We also steer well clear of anything you really don't want played!

We have 6 DJ's in our team, each with a high level of mixing and blending skills and clear and precise microphone techniques.

They know how to party!
